PRODUCT DELIVERY

Hardwood Bark Mulch

\$19.50/scoop

1 scoop

This is the good stuff. An all natural, un-dyed product made from the bark of trees. Perfect for a classic look in your planting beds.

River Rock

\$68/ton

2 scoops = 1 ton

2-5" average size is used as a ground cover in planting beds, as a border along driveways, and in drainage areas. Because this is a natural product, coloration may vary.

Newport Pea Gravel

\$59/ton

3/4" size is used as a ground cover in planting beds, or as a surface for patios, walkways, terraces, and driveways (including tar-and-chip). Because this is a natural product, coloration may vary.

Topsoil

\$38/scoop

Topsoil is an ideal substrate for planting grass seed on a new lawn. We recommend a 1-2" thick layer on top of the existing soil. It's also perfect for backfilling new plants or amending clay soil.

Crusher Run

\$19.50/ton

Crusher run is an engineered stone used as a base stone under asphalt and pavers, used for driveways and pathways.

#57 Stone

\$19.50/scoop

#57 stone is used as a base under concrete, for driveways and as a drain stone behind retaining walls and for French drains.

Concrete Sand

\$19.50/scoop

Concrete sand is used to mix concrete and as a bedding sand for paver installation. Because this is a natural product, coloration may vary.
