PRODUCT DELIVERY

Hardwood Bark Mulch

\$34.50/cubic yard

Premium hardwood bark mulch in natural brown or dyed black. Create that classic look in your garden bed.

River Rock

\$119/ton

3/4-1.5" or 2-5" is used as a ground cover in planting beds, as a border along driveways, and in drainage areas. Because this is a natural product, coloration may vary.

6-12" river rock may be available for special order; please inquire for pricing and details.

Newport Pea Gravel

\$98/ton

3/4" size is used as a ground cover in planting beds, or as a surface for patios, walkways, terraces, and driveways (including tar-and-chip). Because this is a natural product, coloration may vary.

Topsoil

\$55/cubic yard

Topsoil is an ideal substrate for planting grass seed on a new lawn. We recommend a 1-2" thick layer on top of the existing soil. It's also perfect for backfilling new plants or amending clay soil.

Mushroom Compost

\$46.50/cubic yard

Mushroom compost is an affordable soil conditioner that can be used to help improve clay consistency.
